I STAND WITH PLANNED PARENTHOOD®

CONDOMS, BUT MAKE IT FASHION.

"A runway show..made with condoms?!"

That's right. See all bodies and gender identities wearing spectacular garments down the runway, handmade with 1000+ colorful condoms.

MAKE REPRODUCTIVE RIGHTS SAFE AGAIN

Come because Kemp doesn't want you to.

The Trump-Pence administration is doing everything in their power to shut down Planned Parenthood. And Kemp is making sure it's happening locally.

Your ticket to Condom Couture will help protect judgement-free access to care for all people, no matter what.
